INSTRUCTIONS FOR CONDUCTING LIVE FIRE TRAINING

1. Meet with the HTFA Training Manager and obtain the HFTA Policies & Procedures Section 2.1-2.3. Present training objectives, level of qualifications of instructors and personnel to be trained (must be a minimum of NFPA 1001), and additional safety measures to be implemented.

2. Review and complete the following documents:

- A. HFTA Policy & Procedure 2.1 Safety Officer
- B. HFTA Policy & Procedure 2.2 Use of PPE
- C. HFTA Policy & Procedure 2.3 Live Fire Training
- D. HFTA Facility Use Agreement and Certificates of Insurance. (For non-JPA members).
- E. HFTA Live Fire Training Incident Action Plan (IAP).
 - ICS 201 (Plot Map & Floor Plan) Sketch in proposed engine, hose line, and live fire placement.
 - ICS 202 Incident Objectives. (Add objectives as needed to accomplish training outcomes).
 - ICS 203 Organization Assignment List.
 - Resource Ordered List.
 - ICS 205 Communications Plan.
 - ICS 206 Medical Plan.
 - HFTA Agreement Signature Form.
 - Pre-burn Checklist. (To be checked off the day of training).

3. Coordinate with HTFA Manager or designee.

4. Meet with HTFA Manager within 96 hours of training date and submit all documents for approval. Acquire HTF Manager's signature on IAP.

Actions to be Performed the Beginning of Each Day of Training

5. Display instructor and trainee position rotations matrix on white boards and post in briefing area. Take photo of matrix and attach to the original IAP for filing.

6. Distribute copies of IAP to participants of training and conduct full briefing on training exercise and safety measures. Entire building layout walk through must be conducted, including operation of door and window latches.

7. Complete Pre-burn checklist immediately prior to conducting live fire training exercise.

PRE-BURN CHECKLIST

Ensure Required paperwork has been completed and submitted to HTFA Training Manager.

General Duties:

Call Heartland Dispatch (HCFA) and inform them of live fire training.

Obtain training channel(s) as needed.

Assign Instructors (Use consistent ICS span of control) Positions marked with an * must be filled.

*Incident Commander (IC)

*Safety Officer

*Accountability (AO)

*Ignition Officer

*Rapid Intervention Crew (RIC)

Attack hose Line(s)

*Attack line pump operator

*Back up hose line(s)

*Back up line pump operator

*Ventilation Division (Hatch)

Other Instructors as needed

Brief Instructors on responsibilities:

Accountability

Clothing, SCBA/PASS, and equipment inspections

Understanding tactical and training objectives

Brief participants:

Safety rules

Building layout/walk through

Building evacuation procedure

Crew and Instructor assignments

Evacuation signal/demonstration

Obey all instructions and safety rules

ICS 201 MAP/SKETCH
